RENEWED PETITION IN RESPONSE TO DECISION ON PETITION UNDER 37 CFR 1.147(a) &

REQUEST FOR WITHDRAWAL OF HOLDING OF ABANDONMENT UNDER 1.181

Dear Sirs:

A Petition and Fee for a three month Extension of Time, through and including October 6, 2008 is being authorized with the electronic filing of this paper.

This Renewed Petition is being submitted in response to a Decision on Renewed Petition under 37 CFR 1.47(a) dated May 6, 2008 and to the Notice of Abandonment dated September 17, 2008.

The Decision on Renewed Petition states that the previously-submitted Declaration by Ms. Smith does not meet requirement (2) under 37 CFR 1.47(a). To address this issue, the applicants are attaching herewith documentary evidence of the searches made by Ms. Smith in her efforts to locate Ms. Lindsey Harrison. This evidence includes:

A copy of the internet search; conducted at the Manchester University site;

A copy of the internet Google search; and

Copies of E-mails that were sent to Friends Re-united (Manchester University).

In view of the previously-submitted Declaration of Ms. Smith, and the evidence being submitted herewith of the internet searches and e-mails, the applicants respectfully request reconsideration of the Decision on Petition to File Application Without Signature of Joint Inventor.

Further, the applicants have received a Notice of Abandonment for the subject application. The applicants believe that the Notice of Abandonment was premature and improper because extensions of time are available for responding to the Dismissed Decision and the applicants are authorizing the payment of a three month extension of time with this Renewed Petition. The applicants respectfully request withdrawal of the Notice of Abandonment for this application.

The Commissioner is hereby authorized to charge any fees under 37 CFR §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,

David R. Saliwanchik

Hello from ITM

Hi Lindsey,

I hope I have the right person, please email me to let me know if you are the Lindsey who did a STEP placement with us a few years back. If your not none of this will make any sense to you at all, sorry.

If you are, I'm glad we found you, we have been trying to find you for ages, you went without a trace, we were worried, I hope everything was okay. I hear you got a 1st, well done.

ITM has gone from strength to strength, we employ about 15 more scientists now, simon matt and i are still here too. We floated on the stock exchange almost 2 years ago and the price is still going up so we must be doing something right!

Not only would we love to hear from you, i also have some papers I would like you to sign to do with the PV patent.

Please get in touch

On a personal level I am now a mum of one (Tabitha ages 3 months) and simon has two (Harris and Evylen), and matt has a Harley Davidson instead!

Hope to hear from you soon
